REFLECTIONS

One hundred years ago the town of Norwood was founded. Four years ago the Class of 1972 entered the high school. The town has grown from its simple beginnings to a complex suburbia, and will continue to expand. We are leaving now, after our four years, to fan out in all directions, to expand our knowledge and experiences. We, the town and the students, now pause to reflect on our past: the good times and the bad, the foundations we have laid for the rest of our lives.

The Tiot Younger Set of 1889.

ADVERTISEMENTS

Norwood High is a school of individuals, each one going his own way, thinking his own thoughts, trying to find his niche in life . . . As we reflect on our days at Norwood, we remember our many moods . . .

Maybe we all hated studying, but it is something we always seemed to be doing. At home, during free periods, even during extra class minutes, we always had a book in our hands.

NORVO

SENIOR HIGH SCHOOL

Something new changed our senior year — open campus. Many were skeptical — "They won't know what to do with their spare time," — but we proved those skeptics wrong. Open campus at Norwood High School created a study-oriented, yet relaxing atmosphere; an atmosphere of freedom, yet of responsibilty. This new system not only gave us a chance to utilize free time in the manner we chose, but also brought us closer to maturity.

IN MEMORIAM: ROBERT DOUCETTE

The class of 1972 will always remember Robert Doucette, who was very active during his high school years. He was a member of the Swim Team, Tiot Circulation Editor, and participated in the Senior Play. Bob was most actively involved in music, where his fine tenor voice brought him such accreditations as the greater Bostonians, All-State Chorus, and Southeastern Massachusetts District Chorus. At graduation Bob, who was planning to attend the University of Massachusetts in Amherst, was awarded a scholarship.

To those of us who knew "Mel" as a student, team mate, friend or brother, he left us with much more than an outstanding record. We will always remember Bob.

IN MEMORIAM: MISS LOUISE G. McCORMACK

The class of 1972 expresses its deepest regrets upon the death of Miss Louise G. McCormack, who spent thirty-four years teaching English at Norwood Senior High School. Miss McCormack was a devoted teacher and is remembered by many of her former pupils.

DEDICATION

Being Dean of Girls is not an easy job. It requires many hours of working on routine tasks and great sacrifice of one's time. All too often one is taken for granted.

During her time at N.H.S., Miss Ryan was responsible for the discipline and guidance of Norwood High's young ladies. As Senior Advisor she efficiently ran many senior plays, banquets, and proms.

The Tiot staff and the Class of 1972 would like to show their appreciation to Miss Katherine E. Ryan by dedicating their book to a fine lady who dedicated many years to the service of Norwood High School.

NORWOOD'S BEST

SENIOR HISTORY

For the final, perhaps the most memorable high school year, the Class of 1972 began with mixed emotions, all with the knowledge that graduation would soon be there. The Senior Class graduated in Norwood's Centennial Year and held the unique role of leading the entire student body in the Open Campus program. The school year began with the election of class officers. We voted as President, Gary Donovan; Vice President, Joe Anello; Secretary, Mary Ann Glynn; Treasurers, Janice Bacon, Bill McCall; A.A. Representatives, Betty Carlson and Don Reddick.

Early in the Fall, tradition was upheld with the placing of the flag on top of Blue Hills. The night was one of the unifying events for the class. Soon after, the annual Senior Auction was held to benefit the Student Council Scholarship Fund. Many seniors, disguised in various costumes, were sold to admiring underclassmen.

Under the direction of Mrs. Louis Buscone the senior play, "The Egg and I," was held on December 3rd and 4th. Leading roles, showing true dramatic talent, were held by Joan Lanzoni, Claire Paras, Patty Stan-

ton, and Donald Barry.

For the first time in many years seniors held a semi-formal at the Glen Ellen Country Club. The night was enjoyed by both seniors and underclassmen alike.

A well respected addition to our class this year was our Foreign Exchange Student, Gioacchino Cefala from Italy. He participated in many senior events and enlivened them with his Latin dash and verve. He spent the year with the Keen family learning a new and different life style. We thank Gioacchino for coming to Norwood.

"It takes a year to get organized" is the best way to describe the football season this year. We are hoping for a fine season next year. Under the coaching direction of John Doherty, Co-Captains Don Reddick and Ron Lanzoni, and seniors, Joe Anello, Barry Sullivan, Ed Hickey, Ken Cavanaugh, Brian Greeley and Paul Nolan assisted the team through many tough games.

The Norwood High School hockey team continued to uphold the tradition of excellence in its 1971-72 season. Under the guidance of Don Wheeler and Jack O'Neil, the team led by Mike Martin, Ed King, Bill Pieri, Bill Clifford, Don Reddick, Alex Skene, Peter Browne, Louis Parker, Bill Denehy, fought its way through one of the toughest leagues in the State. They leave Norwood with the knowledge they set outstanding records in both their individual and team efforts.

Although lacking in experience, the basketball team did, however, produce an admirable record. The "Nolet men" were led by Captains Mark Linehan and Bob McGhee and Seniors Bob Bernstein and Bob Eagan. The team and Mr. Nolet should be commended for their hard work and determination.

The Wrestling team of this year proved again to be champions, with such outstanding members as Scott Warde, Kevin Hopkins, Paul O'Neil, Don Venterosa, Chris Keen and Dick Ferdinand.

All the participants in the other sports displayed their usual enthusiasm and upheld the Norwood tradition.

To support their teams loyally in both victory and defeat, a unique squad of boy cheerleaders was initiated this year, led by Captain Bucky Sexton. The traditional varsity cheerleaders supported all the teams with their vivaciousness. Serving as Captain was Joanne Thomas with senior members, Janice Bacon, Mary McTernan, Kathy Patsos, Marie DeRoma, and Paula Parise.

The Student Council of this year was led by Mike McAuliffe as President; Hillary Sallet as Vice President; Nancy Kelly as Secretary; and Joan Lanzoni as Treasurer. With Mr. George Usevich as the advisor, the Student Council was successful in many events — the Senior Auction, The Globe Santa Drive and the Student Council Carnival.

Our class was a success in all aspects of school life, academically as well as socially and athletically. Three seniors qualified as National Merit Semi-Finalists, Pat Hasset, Mark Goldstein and Stephen McMullin. Many seniors met the requirements for membership into the National Honor Society.

The last social event of our high school year, our senior prom, was held at the Chateau De Ville in Framingham on May 19th. The night was enjoyed as a fitting conclusion to our high school social activities.

As the year draws to a close for some too quickly; others not soon enough, the four years spent at Norwood High will bring to everyone some fond memories. A phase in our life is ending, which has been both beneficial and successful. The Class of 1972 leaves its permanent mark at Norwood High School.

MARLENE O'DONNELL, Historian

SENIOR PLAY

On December 3rd and 4th, 1971, the class of 1972 staged its production of Betty MacDonald's "The Egg and I." The play was a great success, and we would like to congratulate the cast and stage crew for their brilliant performance. We would also like to thank Mrs. Louis Buscone for her hard work and dedication. Without her help, this production would not have been possible.

Student Life

The original one room schoolhouse on the corner of Pleasant and Sumner Streets in Norwood.

The original Norwood High School built in the late 19th century behind the Public Library.

The early Norwood High School with addition. This was later known as the Beacon School after the construction of a junior high elsewhere.

The Guild Grammar School which used to stand in Guild Square.

Student life has always been an important aspect of our school from the time of the one room school-house in the "gay nineties" to the high school of the "roaring twenties" and our present senior high school of 1972.

SOPHOMORES HAVE AN EXCITING YEAR

In September of 1971, the doors of NHS were thrust open in anticipation of another school year. The members of the class of "74" entered the legendary "school on the hill" with mixed emotions of excitement and apprehension. The fears instilled in us by our first sights of the school towering above were enforced as we discovered that the school was actually as large as it had appeared on the outside.

Our first few days proved hectic with the task of locating classrooms and adjusting to the newly established open campus program; but soon these problems were resolved as we progressed in our role as sophomores.

Before our class could begin any activity, it was necessary that we elect class officers. Chosen to represent us were President, Dale Ekholm; Vice-President, Jeff Nolan; Secretary, Mary Anello; Girls' Treasurer, Mary Reagon; Boys' Treasurer, Billy Doucette; Girls' A.A., Lynn Schiano; and Boys' A.A., Gary Shaw.

Seeking a new approach to class activity, the traditional sophomore party was replaced by a concert sponsored by the sophomore class, but open to all students. The Concert was a great success.

The sophomore class was well represented athletically with four sophomores, John Donovan, Jeff Nolan, Dave Saad, and Kevin Glynn, qualifying for varsity football. In addition, there were many students participating on the other sophomore athletic teams. They were faithfully cheered on by twelve cheerleaders selected from the sophomore class with Mary Anello leading them as captain.

All in all, our first year at Norwood High proved as exciting as we had hoped it would be during our first few days as sophomores. Though we hate to see this year come to a close, we eagerly look forward to next year when we become juniors.

Lynn Schiano '74

EAGER JUNIORS

In September we returned to NHS, eager to participate in the brand new open campus program. Although we knew little about this new program, we were ready and willing to accept the challenge.

Our first duty of the year was the election of our class officers. The popularity of several class members was confirmed, as five who had led our class through its sophomore year were again chosen. President, Dave Ahearn; Vice President, Roger MaCleod; Secretary, Nancy Kelley; Treasurer, Richard Kennedy; and Girls' AA Representative, Ellen Lovell. Treasurer, Laureen Powers; and Boys' AA, Bruce Boyd were newly elected officers this year.

There were an enormous number of juniors who made varsity teams throughout the year at Norwood High. During the football season we were well supported when the varsity squad was made up of 25 juniors. Mark Hersey, Brian Brown, John Glynn, Roger MaCleod, and Steve Brennan were seen in action on the court for the Mustangs. The fantastic hockey team had juniors who were vital to their team. Soccer, track, baseball, swimming and golf also had many outstanding juniors as members of their teams. Girls' sports were not neglected by the class of '73 with numerous juniors excelling in swimming, gymnastics, and softball.

The entire class was overjoyed when in November, Paula Remick and Ann Marie Bernazanni, were chosen as A.F.S. finalists.

April was the long awaited month for the biggest social event of our class — the Prom. The evening at the beautiful Marriott Hotel proved to be a night that surpassed everyone's expectations.

In partaking of open campus for one year we realized that, along with the advantages, there were also disadvantages. We enjoyed the pleasure of leaving school during our free time and definitely didn't miss the supervised study halls of the past. The opportunity to visit the Peabody's bakery and candy store was not ignored during one's free periods. Who will forget the year long struggle to pry one's eyes open for first period? (That's if you made it!) Perhaps even more difficult than trying to awaken for first period was attempting to appear wide awake and attentive during those endless ninth periods. Nevertheless, the open campus programs receives a vote of confidence from the junior class as we trudge forward into our senior year at Norwood High.

MORES

ENGLISH DEPARTMENT

What does "English" mean — punctuation, verbals, spelling? At N.H.S. it means many things — a chance to explore a new area of English each term. How does the rock opera, **Jesus Christ Superstar,** relate to the Bible? How has Greek mythology affected our calendar? Does the literature of the Jazz Age foretell the Great Depression? These and other questions are posed and answered in the many English courses available to students.

LANGUAGE DEPARTMENT

Aqui se habla español — And French, German, and Latin. Through classroom instruction, a language laboratory, and audio-visual aids, NHS students learn, not only to speak these languages, but also to appreciate the literature, art, and other aspects of foreign culture.

MATHEMATICS DEPARTMENT

In addition to traditional math, the NHS math department offers college courses in algebra, trigonometry, calculus, and more. This year math students at NHS have had at their disposal a computer, which comes into play in almost each class. Noted mathematicians have compared the ability to use the computer to the ability to read, noting its great significance in the future. NHS students will undoubtedly be well-versed in this knowledge.

SCIENCE DEPARTMENT

A walk through the rooms on the top floor of NHS will offer sights of students creating soap from coconut oil, dissecting frogs, testing laws of motion, and performing other experiments. This is the NHS science department, where students can study the various sciences on both introductory and advanced levels. Whether a student is planning a career in science or is just interested in learning about his world, he can pursue his interests through the courses offered by the NHS science department.

HISTORY DEPARTMENT

This year most of the members of the class of '72 will be voting in the national elections. Students who recognize this added responsibility are often desirous of learning more about the world today and how it became the world it is today. Through courses such as International Relations, Contemporary Problems, U.S. History, Asian and Russian Studies, and Western Civilization, students interested in the events and cultures of the past and present, and students wanting to be aware of the problems of today's world, can better understand their world.

BUSINESS DEPARTMENT

The exciting and challenging field of business is one that many NHS students choose to enter. Those who have taken the business courses at NHS will be well-prepared for their careers. NHS offers introductory and advanced courses in typing, notehand, bookkeeping, business law, and many other areas of business. Offered as well are courses for those who do not wish to continue in business but who desire certain fundamental skills.

PHYSICAL EDUCATION DEPARTMENT

Physical education is an important part of each student's high school education. In the gymnasiums, students engage in games of basketball, gymnastics, wrestling, and even modern dance; the schoolyard is utilized for baseball, field hockey, track and field. "Gym" at NHS is always an invigorating class.

HOME ECONOMICS INDUSTRIAL ARTS DEPARTMENTS

Passing by Room 14, one invariably detects the odor of spaghetti or biscuits or some such cuisine. Next door, one hears the incessant whirring of sewing machines. This is the home economics department, where NHS students learn both the basic and advanced skills required in the arts of sewing and cooking. At the opposite end of the school, the industrial arts department is located. Here, students learn the skills of woodworking, metalworking, mechanical drawing, and printing.

ART DEPARTMENT

Norwood High student artists are offered a wide variety of art experiences and knowledge, both introductory and advanced, by the NHS art department. Students learn the use of the various mediums and techniques used in depicting people, landscape, still life, abstracts, and in sculpting and ceramic work.

BOOKSTORE

The business students at NHS have introduced a totally new and modern type of bookstore. The bookstore sells the traditional notebooks and bookcovers; it also sells specialty items. These students have worked to make 1972 a successful year for this store.

STUDENT REPRESENTATIVE ORGANIZATION (S. R. O.)
Left to Right, Standing: L. Pearson, S. Buckley, C. Vaughan, E. Daly, D. Thibault, F. Mulrooney. **Seated:** Mrs. Matthys — Distributive Education Advisor, S. Blaizis — Vice Chairman and Treasurer, Karen Pierce — Secretary, Mr. Maher — Guidance Counselor Advisor. **Not Pictured:** C. Videto — Chairman, D. Gulla, S. Boothby.

The Student Representative Organization was streamlined to fit the times this year. Student Representatives are elected from each homeroom. From within its group emerged Chairman, Charles Videto; Vice-chairman and Treasurer, Stephen Blaizis; and Secretary, Karen Pierce. Students are encouraged to accept responsibilities and privileges and to stimulate the fine spirit of pride of accomplishment and achievement that prevails throughout the school.

The Fall Student Mixer with all its gaiety and goblins, timed for Halloween, was a huge success with students and faculty entering into the full spirit of the occasion.

"Operation Santa Claus" is another Student Representative project when students remember those less fortunate. The students take gifts to the needy, the hospitalized and inmates. Full course Thanksgiving and Christmas dinners with complete festive details are sponsored by the students.

As special needs arise, the Student Representative Organization takes the initiative. Parking stickers were designed and a Spring Social at the Montecello were accomplishments from this year's agenda.

The "Awards Program" at the closing of the school year honors those graduating and those winning special awards and scholarships.

PRESS CLUB

The purpose of the Press Club has somewhat changed this year from that of being a chronicler of departmental school achievements accompanied by photographs depicting the people involved. It is felt that short, telling articles can convey to the general public more effectively the nature of our many occupational departments and the accomplishments of our students.

Members of the Press Club who have contributed to the gathering of news items are: Rhonda Brittain, Business; Joy Schiller, Distributive Education; Dorothy Zanazzo, Practical Nursing; Nancy Chestnut, Fashions; Michael Bendenelli, Paul Cullivan, and Kevin Giardino, Foods; Ronald George, Sandra Beaupre, and Jennefer Shanton, Cosmetology; William Correia, Art; and Karen Pierce, Student Representative Organization. The Press Club is under the direction of Miss Marjorie McCready, assisted by Miss Rose Morrison.

DISTRIBUTIVE EDUCATION

The students in the Distributive Education program "learn by doing." In this one-year postgraduate course, directed by Mrs. Elizabeth K. Matthys, students attend classes until noon and then report to their work stations for on-the-job training.

The course of study offers a concentration of marketing subjects, which include: economics, English communications, related art, display and advertising, psychology and human relations, merchandising techniques, and creative selling.

The students are members of the national club, DECA (Distributive Education Clubs of America), which further develops leadership and social skills. The class has created and manages most successfully a boutique in the school named "Corky Row." Proceeds from sales help to defray the costs of students' attending the state and national conferences.

Activities

The Activities at Norwood Senior High School have long been entwined with those of our town. In sporting events, clean-up drives, foreign exchange programs, and other activities, the town and the high school have shared the enthusiasm and the satisfaction of success together. The band in this picture once performed in town events decades ago, and this year the high school band performed to commemorate Norwood's Centennial in a continuing effort to assure many more years of successful and rewarding activities at Norwood Senior High School.

SENIOR SEMI-FORMAL
DECEMBER 10, 1971

STUDENT COUNCIL REMAINS ACTIVE

Once again Student Council began the year 1971-1972 with great success. Continuing on a productive journey under the direction of Mr. Usevich, the Student Council remained an active organization. They began the year with a successful Senior Auction. Norwood High School for the first time had an adopted brother, Leroy Cope from Tennessee, with whom we shared Christmas by sending cards and gifts. The Christmas spirit was shown by Student Council's donating to Globe Santa.

Working together with the Guidance Department, we enthusiastically helped counselors keep students informed about educational happenings.

The first year of "Open-Campus" posed a few difficulties, but Student Council listened to suggestions and tried to solve some of the problems.

The spring ushered in the third annual carnival. Members whole-heartedly participated to make this event a financial success, as well as a delightful experience.

Thus ended another productive year of Student Council under the fine leadership of the following officers: President, Mike McAuliffe; Vice President, Hilary Sallet; Secretary, Joan Lanzoni; and Treasurer, Nancy Kelley.

SENIOR AUCTION

"Sold" was the frequent cry of the auctioneers at the annual Senior Auction on November 18, 1971. The event was held by the Student Council to benefit the senior class. The high spirited seniors were disguised in various colorful attire and then sold to many admiring underclassmen.

Thoughts from my diary through the half year . . . "I saw a part of the American face — two faces. The Blacks, drugs, alcohol, and the youth movement. I also saw the other face — that of wealthy America. (from a visit to Boston)

It seems important to me to notice that nothing has changed since I left Italy. Also, the people are the same; they live the same way as at home. These people are expecting something from me because of my different culture.

Again I went to Boston today. Again I saw the same situation. The decision I made about that reality is that I can now try to speak out about the situation that I am seeing within the light of my own experiences.

I am happy because I have met some happy people. I felt joy meeting other A.F.S. students.

Today Blue Hills is the immediate vision of an unhealthy society — the lack of love in the life of youth and the logic of freedom I am seeing in the U.S. The most humble thing I could do was to talk with them and pray.

Boston, Dec. 31st: Today I met people who were different from the others — they were happy.

I want to say these few things because I have learned much from my stay among the American people. I do want to thank those who participated in the A.F.S. program and especially the Keen family who made my experience possible."

Gianfranco Cefalà

Probably the adjectives that first spring up in peoples' minds when they hear of India are squalor, poverty, and intense heat. After a ten week stay in Poona, India, my thoughts are mingled with love, kindness, and warmth. I, too, am aware of the extreme poverty; however, the attitudes and the emotions of the Indian people far exceed any of the depressing characteristics. It was difficult to imagine a family who could equal my own American family in love and respect for one another. Yet such a family was found, and I shall be forever grateful to my family, the Bahulikars. They were the brightest introduction to a great land filled with diversities. My sincere thanks go to Baba, Rai, Arun, Aschok, Nalu, Jyoti, and to my host sister, Shaila.

Many thanks to my Indian family, who gave me the opportunity to share with them the most thrilling experience of my life.

Joan Phalen

Living with a Turkish family this summer gave me an opportunity to observe, not only the environment of a different culture, but also the philosophy of life under which it operates. Discovering in Turkey that Moslems submit themselves to the will of Allah, their god, and allow the fate which he has designated for them as what they must accept in life, gave me an insight into understanding the daily actions of a people who live in a culture so different from our own. The unity of the family, the general warmth of Turkish hospitality, as well as an infinite number of ancient traditions and customs have been handed down from the time of ancient Rome and Byzantium to that of the Ottoman Empire and the modern Turkish Republic. Today, however, these traditions are quickly disappearing in an attempt to westernize Turkey. Yet, the resulting juxtuposition of eastern and western influences; of Oriental philosophy, mixed with western economics, yields a unique society in which the Turkish people are forever facing towards both horizons in search of an identity.

I am greatly indebted to baba, anne, Mustafa, Emin, Ayse, benim arkedash turk, and everyone else who made this summer possible for me.

Robert Adler.

CONCERT BAND INVITED TO TOUR EUROPE

The concert band has a good chance of going on a tour of about three weeks to Austria, Switzerland, Germany and Italy, if 35,000 dollars can be raised before this summer.

Mr. Paul Alberta, director of the music program, has presented several plans to the School Committee to raise the necessary funds. Included in these plans are, briefly: To take money from a revolving fund which was set up for cultural expenses; To request pledges from Norwood merchants; To let the students work at odd jobs between now and the summer; To encourage the townspeople to help in some way.

The Norwood High School Concert Band is the first high school band ever selected by the non-profit Council On Intercultural Relations in Vienna for such a tour. The organization previously chose only college bands. Norwood will represent all of New England on the tour.

The choral groups continued to do a fine job and produced a memorable Christmas Concert, as well as performing throughout the town. An additional group this year was the Barbershop Quartet.

Athletics

Over the past eighty years athletics at Norwood High have grown from the small departments of the early decades to the massive ones of today. But all the while the tradition of sacrifice by the athletes has remained unchanged. The Class of 1972, in the tradition of the past, and for the example of the future, typifies this sacrifice.

FOOTBALL TEAM UNDERGOES ORGANIZATIONAL SEASON

Under new coach John Doherty, the Norwood High School Football Team underwent an organizational season, witnessed by their 1-8 record. Hampered by inexperience and injuries, Coach Doherty, aided by assistants Martinelli, Davis, Hexter, Carroll, Hartshorn, Putnam, Smith, and Katchpole; managed to exhibit an extremely exciting brand of football. The squad was led by senior co-captains, Ron Lanzoni and Don Reddick; other seniors included: running backs Don Venterosa, Paul Nolan, and Joe Anello; quarterbacks, Barry Sullivan and Ed Hickey; center, Ken Cavanaugh; ends, Ralph Cordopatri and Tony Laverdiere; tackles, Brian Greeley and Paul Hubrich; and guards, Harold Weiner and Dave Benson.

Individual awards were received by Ron Lanzoni, the Bay State League's Most Sportsmanlike Player; the Bay State League All-Star Awards were received by Barry Sullivan, Mike Roberts, and Keith Rogers. With Rogers and Roberts returning next season, Coach Doherty should have a good nucleus to work with in '72.

SWIM TEAM — HARD WORK + DETERMINATION

This year's swim team, through hard work and determination, surpassed the expectations of Coach Carver. After a long, difficult season, the girls turned in a record that was even better than last year's respectable record.

Outstanding for Norwood this year was, once again, junior superstar Cindy "Fred" Stewart, who led the team in scoring with 128 points. Second place went to senior transfer, Katrina Larsen, and third to sophomore hopeful, Cindy McAuliffe.

Throughout the season the team was well supported by the enthusiastic efforts of the bus crew led by "spirited sophomores," who inspired all with remarkable renditions of "All the Leaves" and "O Holy Night."

The swim team of '72-'73 will be losing nine outstanding personalities when the sensational seniors splash on to bigger places.

SOCCER TEAM IMPROVES

Coach Parker, Co-Capt. Skene, Co-Capt. McCall, Mulvehill (Manager), Coach Compagnone

This year an improving soccer team had one of its best seasons ever. The Mustangs were one of the toughest teams in the league and really surprised some of the perennial powers. Norwood pulled off the big upset of the season by knocking a highly rated Framingham South team out of the state tourney, 4-2. Some other highlights of the season were the sweep of the Milton series, 3-0 and 2-1, and the emotional 1-1 tie with Walpole. Norwood was well represented on the All Star team, placing Bill McCall and Gian franco Cefala on the first team. Goalie Bob Bernstein missed the first team by one vote and, along with Ed King, was a second team all star.

BOYS' GYMNASTICS

This year's boys' gymnastics team had the best record ever: five wins-six losses. There were quite a few records broken. This year's team was the first to score above ninety points in one meet and also the first to defeat Wellesley. There are many seniors who will be lost this year, but the underclassmen on the team have shown growing ability in all events. This year's team had much preciseness and grace and should have been judged along that line, instead of on the difficulty of their moves.

TRACK

Track is a sport which combines team effort with individual ability. To win a meet, one must have strength and depth in every event. Norwood had a little of both, but that was not enough. Although we had many close meets, we wound up with a 4-12 season. Good luck to next year's team.

BASKETBALL

With the addition of thirteen new faces on his club, Coach Ken Nolet was forced to use the 1971-1972 Norwood High basketball season as a rebuilding year. Nevertheless, Coach Nolet scrambled his crew together and came through with a respectable 6-12 season. Not quite the team of a year ago, but a loyal group of boys just the same.

Highlights of the season included double victories over Natick and Framingham North, and single wins over Braintree and Walpole. The Mustangs fared much better on their home court than on the road. The first and biggest win of the season was against powerful Braintree. The score on this one was 71-65, as Bob McGhee and Bob Bernstein led the "Stangs" to victory. Part time starter Bob Eagan was the star of the two victories over a tough Natick team. Perhaps the top individual effort of the season was turned in by Mark Linehan when he sank four clutch free throws in the waning moments to spark a "come from behind" win over Framingham North.

The top performer for the Mustang quintet was Bob "Hawk" Bernstein. "Hawk" averaged 14 points per game and took home the trophy, the "Stangs" lone all-star. Co-captains Bob "Max" McGhee and Mark "Biafra" Linehan were big stars also, averaging 9 and 6 points respectively. The "unsung hero" award would have to go to senior star Bob "Eags" Eagan. An injury to Bob McGhee gave "Eags" a chance to crack the lineup. "Eags" made the most of the opportunity as he averaged 6 points and 5 foul shots per game. When mentioning the elite of the senior crew, one cannot forget Bill Barrett. His slick ballhandling and quick hands made him the top recipient of the coveted "Golden Dick" award.

Since only five players can play at a time, not every senior saw playing time. Nevertheless, the ones who didn't play won rave notices from various college scouts during practice sessions. Among these boys were Frank Fleck, Kevin Brown, Bob O'Brien, Brad Alexander, and Jim McDonough. It was thought that these boys should see action, but it was deemed too risky by Coach Nolet.

The year went by fast, but the memories still remain. Who can forget the highly intellectual conversations Max carried on at the back of the bus? Or Kev "Stash" Brown wearing his fake mustache after all attempts by him to grow a real one proved futile. Bill Barrett's aspirations to date Coach Nolet's daughter; Jim McDonough's attempts to comb his hair — these are all fond memories. Not many will forget "Hawks" hourly tabulations of his scoring average, of Brad's patented screech. Remember Mark Linehan's 5 o'clock shooting and Frank Fleck's frantic search for a warm-up before each game. These are the things that will be remembered long after the wins and losses are forgotten. And that is the story of the Mustangs of 1972 — the year of the "Hawk."

The 1971-72 Girls' Basketball season proved to be another growing year. Led by the fearless Mr. Giles Parker and lovely Mrs. Lane Dapsauski, the wonderous women scored their first victory in three years. Despite the 1-8 record, Norwood was not a team to be taken lightly as their loss column was filled with "almost" games.

Junior Cindy Stewart broke all scoring records at NHS with a season total of 84 points. She was followed by center Joanie Phalen with 66 points and a surprising sophomore, Kathy Smelster, with 60 points. "Little" Patty Phalen and Sheila "Igor" O'Neil filled in the starting lineup with their superb efforts. Other seniors contributing to the cause were Fran Fanandakis, Denise Maleiko, Flo Reid, Karen Richmond, and Jill Klein. "72" co-captains were the ever talented Joanie Phalen and Betty Carlson, who upheld the traditional NHS spirit. The season ended on a clean note with egg shampoos and whipped cream rinses for the seniors — compliments of the underclassmen. To next year's team, we wish the best of luck.

SWIM TEAM WINS CHAMPIONSHIP

The boys' swim team, coached by Mr. Paul Frost, had a very successful season, taking first place in its league. Led by captains Gary Horseman and Mike McAuliffe, the team lost only one meet making their league record 14-1. Graduating seniors are David Denietolis, Pat Riley, John Puzas, Nick Caci, Gianfranco Cefala, Gary Horseman, John McQuade and Mike McAuliffe.

STATE CHAMPIONS

The 1971-1972 high school hockey season proved to be the most successful in Norwood's history.

The pressure was on the Norwood Mustangs from the start. Great things were expected from the squad by their loyal supporters and the news media. Most of all, the team believed in itself and strived to succeed — with an eye on the State Schoolboy Tournament and a chance to play nemesis Arlington.

Coach Don Wheeler and his assistant, Jack O'Neil, instilled a hustling, never-give-up attitude into their talented skaters. This was most evident during the B.S.L. season as the Mustangs rose to the occasion many times against their foes to compile a tremendous 18-0-0 record.

Norwood's record-breaking first wave of all star seniors, Mike Martin, Billy Clifford, and Ass't Capt. and B.S.L.-M.V.P. Ed King, punished opposing goalies with its power. As a proof of the line's effectiveness, King, Clifford, and Martin were the top three scorers in the league.

Yet the depth of this team really showed with second line super-sophomores, Greg Walker and Dan Bayer, combining with experienced senior Bill Denehy to harass Norwood's opponents with their fine play.

The strong defense of this club was led by Senior Captain and All-Star Pete Brown whose outstanding play during the past four varsity seasons has been instrumental in Norwood's surge to the top. Hard-hitting varsity veteran Al Skene combined with spirited juniors Kevin Hurley and Bob Lawrie to provide Norwood with an awesome defense.

Bill Pieri once again showed his prowess in the net as he came up with many a clutch save. He was ably backed up by Louie Parker, whose excellent play gave Norwood goaltending insurance. Other key players who contributed much to the team's success were: Senior, Don Reddick; Juniors, Mark Balerna, Ed McQuaid, Paul O'Day, Mike Costello, and Fred Carbone; and Sophomores, Frank Baglione, Roger Battles, and Pete Thomas. Manager John Kerr and Assistant Manager Rick Flaherty kept the team supplied with all the necessities of a hockey team.

With machine-like precision the N.H.S. hockey team defeated Arlington 3-2 in the Eastern Mass. finals, culminating a season of exciting hockey. Our All-Tourney selections were Bill Clifford, Pete Brown, and Ed King. Norwood is certainly proud of the Wheelermen for their accomplishments this year.

TIOT

The 1972 TIOT Staff has produced this book, hoping that in some way we have shown the unique qualities that the students and faculty at Norwood High possess.

The staff wishes to express its sincere gratitude and appreciation to Mr. Rowen of Taylor Publishing Company and to Purdy Photographers, without whose help this yearbook would have been impossible.

Thanks are also due to Mr. Horace Fader, financial advisor and to Mrs. Pat Ingraham, our vibrant advisor. Finally thanks to our hard-working, diligent, co-editors Marlene O'Donnell and Pat Hassett, whose leadership and attitude proved invaluable during our hard-working yearbook meetings.

Firefighter's Prayer

BY JAMES J. METCALFE

(In the Boston Globe)

When I am called to duty, God . . . Wherever flames may rage . . . Give me the strength to save some life . . . Whatever be its age . . . Help me embrace a little child . . . Before it is too late . . . Or save an older person from . . . The horror of that fate . . . Enable me to be alert . . . And hear the weakest shout . . . And quickly and efficiently . . . To put the fire out . . . I want to fill my calling and . . . To give the best in me . . . To guard my every neighbor and . . . protect his property . . . And if according to my fate . . . I am to lose my life . . . Please bless with Your protecting hand . . . My children and my wife.

REFLECTIONS . . .

Our four years at Norwood High School are finished. For the past four years, we have all voiced the traditional student desire to be done with school; now we are not so sure that that is what we wanted. It is an exciting world that we enter, but we cannot ever forget the exciting world we leave behind: a world of homework, term papers, tests — and slave auctions, carnivals, clubs, and dances. As years go by, we will gradually forget the detentions and restrictions and remember the important things, the friends and happy times. Our Norwood High School years will become "the good old days."

Remember that game? Probably not. The games seem to blend together into an essence of excitement and hope and friends having an absolutely great time being together.

Remember coming to school half asleep and being completely awakened in gym class? And the bus rides home with other students, some tired, some happy, but all glad to be in the company of each other.

SCHOOL BUS

One hundred years from now maybe Norwood students will wonder what Norwood High School was like in 1972. We could all tell them so much about the happy days, the wistful days, the problems and solutions of the days that are fast becoming history: the days of our high school life.
